

NOTHING  
WORKS  
BETTER  
THAN  
**MY TEA  
TREE  
OIL.**

yours, **alkmene**<sup>®</sup>

# TEA TREE OIL IS NOT EQUAL TO **MY TEA TREE OIL.**

There are two things that make **MY TEA TREE OIL** so effective. First, of course, our tea tree oil itself. 100% natural, Australian and in pharmaceutical quality.

Then there is our boost: an active ingredient specially adapted to the skin problem. The helper for our hero. From **ZINC PCA** to **UREA**.

The highly effective formula combined with tea tree oil and boost quickly and visibly does exactly what you want: it works. Whether for your face, your oral hygiene, and even from head to toe. Proven effectiveness. Because the **MY TEA TREE OIL** range is a problem solver and care product in one.

**OUR HERO.** 100% pure, natural, Australian tea tree oil in pharmaceutical quality. Known for its antibacterial, anti-inflammatory and antiseptic effect.

**OUR BOOST.** To ensure that our products provide optimum effect, we add another active ingredient that is specifically tailored to the problem in each case.

## YOUR SKIN. OUR ENVIRONMENT.

WHAT'S GOOD FOR YOUR SKIN SHOULD ALSO BE GENTLE TO THE ENVIRONMENT. AND REVERSED. THAT'S WHY WE DON'T TALK, WE DO.

**100%**

Our tea tree oil in pharmaceutical quality is one hundred percent natural.

**PROVEN EFFECTIVE**

Extensive application tests prove the effectiveness with an agreement of the test persons of up to 100%.

**DERMATOLOGICALLY TESTED**

Because we place the highest value on skin compatibility.

**ALL VEGAN**

Our products do not contain products of animal origin nor are used in the production and processing stages.

**90%**

**INGREDIENTS NATURAL ORIGIN**

The ingredients of our products are at least 90% of natural origin.

**MICROPLASTIC-FREE**

This applies to all our formulations.

**RECYCLED PACKAGING**

All our packaging is not only recyclable but also made of recycled materials-the tubes and PET bottles at least 50%, all folding boxes 85%.

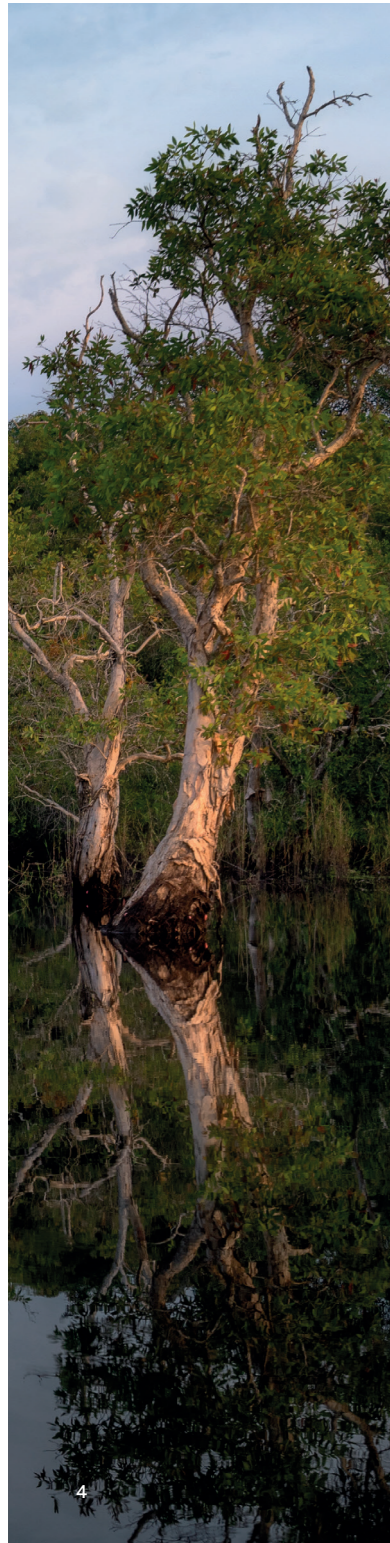

**CLIMATE NEUTRAL PRODUCTS**

All our products are climate neutral. Climate neutral products are characterized by the fact that their CO2 emissions are offset by internationally climate protection projects.

**MADE IN GERMANY**

Mann & Schröder is a German family business with over 50 years of experience.

# OUR TEA TREE OIL

## THE PLANT AND HOW IT WORKS

### What is tea tree oil?

Tea tree oil (lat. Melaleuca alternifolia), also called „Australia’s green gold“, is a pure natural product whose effect has fascinated for centuries. It is obtained by steam distillation of the leaves and branch tips. Tea tree oil consists of about 100 different substances, some of which are extremely rare in the plant world. It is precisely the interaction of these components that makes tea tree oil so particularly effective.

### How does tea tree oil work?

Its comprehensive effect is based on the composition of its essential essences. The main active ingredients of the oil are cineol and terpinen-4-ol. It is mainly known for its antibacterial, anti-inflammatory and antiseptic effect.

### Tea tree oil

- dries out blemishes and pimples
- inhibits inflammations
- promotes regeneration of the skin and gums
- counteracts bad breath
- inhibits dandruff, inflammation and itching
- promotes blood circulation in the scalp and thus hair growth
- strengthens the skin protective barrier
- prevents the development of athlete’s foot

### My tea tree oil

alkmene® products contain natural, Australian tea tree oil in certified pharmaceutical quality. The cineole content is below 5%, the terpinen-4-ol/- content is above 35%. This ensures the high effectiveness of the oil.

# OUR BOOST

## OUR ACTIVE INGREDIENTS AND WHAT THEY CAN PROVIDE

### + ZINC PCA

Works sebum-regulating, moisture-binding and anti-inflammatory. The solution for skin blemishes such as pimples and blackheads.

### + FLUORIDE

Remineralizes and protects against caries. For healthy teeth and gums.

### + PIROCTONE OLAMINE

Has dandruff reducing and antimicrobial properties. Proven effective against dandruff and dry scalp.

### + UREA

Moisturizes and can relieve itching. Preventive against athlete’s foot.

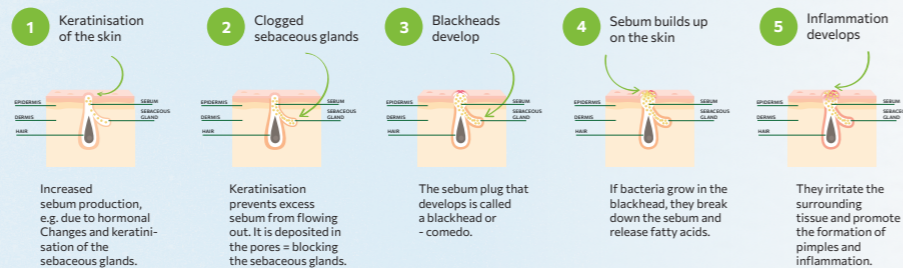

**THE RIGHT SOLUTION FOR EVERY PROBLEM. FROM HEAD TO TOE.  
TEA TREE OIL WITH BOOST.  
DOUBLE WORKS BETTER.**

## IMPURE SKIN? MY SOLUTION:

The skin on our face is the mirror of our life. Hormone fluctuations, incorrect cleansing, care or nutrition, as well as external influences such as UV radiation or fine dust - we can quickly see it.

The skin starts with excessive sebum production and not only a shiny film can appear on it, but impurities, inflammations, blackheads and pimples.

### TEA TREE OIL + ZINC PCA

In all products of our face series, we therefore combine our pure **TEA TREE OIL** with **+ ZINC PCA**. The trace element zinc prevents the development of microbial infections and helps to refine the skin texture through its sebum-regulating and astringent effect. PCA also protects the skin from dehydration, as it has a moisture-binding effect.

Seven products. For your face. For every skin care routine. So that it not only does you good, but also works effectively. Because that's what does the most good.

## FACE CARE MY TEA TREE OIL

DOUBLE POWER FOR BEAUTIFUL AND PURE SKIN.  
DOUBLE WORKS BETTER.

### TEA TREE OIL

Our 100% pure, natural, Australian tea tree oil in pharmaceutical quality. Known for its antibacterial, anti-inflammatory and antiseptic effect.

#### THE FORMULA WITH THE TEA TREE OIL

- dries out blemishes and pimples
- protects against inflammation
- promotes regeneration of the skin
- prevents new blemishes
- reduces keratinisation of the skin

### ZINC PCA

Zinc is involved in essential metabolic processes such as nutrition, detoxification and cell regeneration.

PCA stands for the pyrrolidone carboxylic acid compound and is a natural moisturising factor for human skin

#### THE FORMULA WITH ZINC PCA

- an astringent effect: contracts enlarged pores, regulates sebum production. Helps to refine the complexion
- an anti-inflammatory effect
- binds moisture: adds and binds moisture to protect the skin from drying out

## GENTLE TO THE SKIN. GOOD FOR THE ENVIRONMENT.

At alkmene® we are always working to improve the sustainability of our products - for example, by using effective ingredients of natural origin, sustainable packaging and the careful use of natural resources - for a better environment.

## MY ALL AROUND ORAL CARE.

Healthy teeth and fresh breath. Who doesn't want that? Exactly. That's why it's so important to use toothpastes and mouthwashes that maintain and promote health throughout the mouth. How? By reducing bacterial plaque, preventing tartar buildup, protecting teeth from cavities and sugar acids, and protecting the gums from inflammation. There, where the toothbrush goes. And also where it does not reach.

### TEA TREE OIL + FLUORIDE

The boost for our naturally antibacterial **MY TEA TREE OIL** is **+ FLUORIDE**. The natural mineral, a trace element, fights bacteria in the tooth enamel and strengthens it, making it more stable and resistant. In addition, fluoride compensates for mineral losses.

The dream team of our **TEA TREE OIL** in pharmaceutical quality and our boost **FLUORIDE** is found in all three products of our oral care series.

## ORAL CARE MY TEA TREE OIL

DOUBLE POWER FOR HEALTHY TEETH AND FRESH BREATH. DOUBLE WORKS BETTER.

### TEA TREE OIL

Our 100% pure, natural, Australian tea tree oil in pharmaceutical quality. Known for its antibacterial, anti-inflammatory and antiseptic effect.

#### THE FORMULA WITH TEA TREE OIL

- inhibits inflammation in the mouth
- supports regeneration of the gums
- freshens your breath
- prevents new inflammation and is gentle to gums and enamel

### FLUORIDE

Fluoride is a natural mineral that, in small amounts, has a positive effect on dental hygiene and can help prevent caries.

#### THE FORMULA WITH FLUORIDE

- a protective effect: protects against caries and inhibits demineralisation of the surface of the teeth
- a strengthening effect: builds up and hardens the enamel for greater resistance to acid
- a remineralising effect: counteracts mineral loss due to acid attacks on the enamel

## Caries Protection Toothpaste 100ml

- The highly effective formula with tea tree oil and fluoride helps and protects through its 6-fold protection
- Ideal as a preventive measure against caries and plaque

### 6 IN 1 FOR ALL-ROUND PROTECTION

6. Freshens breath

96% INGREDIENTS OF NATURAL ORIGIN\*\*

BOTTLE MADE OF 50% RECYCLED MATERIAL

# GENTLE TO THE SKIN. GOOD FOR THE ENVIRONMENT.

„Made in Germany“ is not only a promise of quality to our customers, but above all a traditional promise of loyalty to ourselves. We have been producing at our locations in Germany for over 50 years. As a family company, the well-being of future generations is close to our hearts. We face up to this responsibility anew every day.

\*\* acc. to ISO 16128 (incl. 84% purified water)

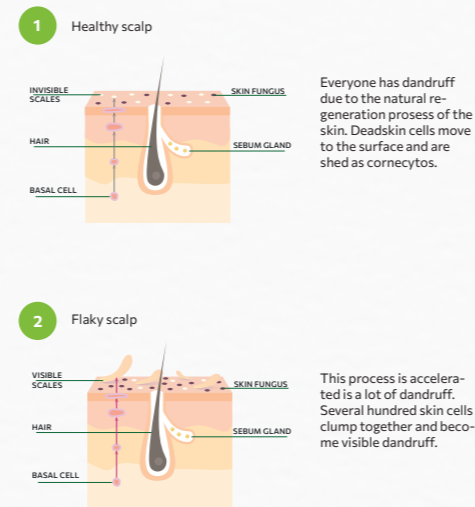

# MY HEAD FEELING? SUPER.

Dry skin is not only found on the face. On the head, it can lead to itching and an unpleasant vicious circle. The reason for itchy scalp is usually a disorder of the skin barrier, which makes it less stable and more permeable. As a result, it loses moisture and itches even more. Harmful substances can also penetrate more easily. And then there's often dandruff as well. Phew. Sensitive care is therefore the order of the day.

The plant power of our **TEA TREE OIL** is combined with the boost: **+ PIROCTONE OLAMINE**. Very gentle and compatible, it optimally dissolves skin grease and dandruff, soothes the scalp, even reduces hair loss and prevents new dandruff. The natural balance of the scalp is restored and thus the basis for shiny, healthy hair.

# HAIR CARE MY TEA TREE OIL

## DOUBLE POWER FOR SKIN AND HAIR. DOUBLE WORKS BETTER.

### TEA TREE OIL

Our 100% pure, natural, Australian tea tree oil in pharmaceutical quality. Known for its antibacterial, anti-inflammatory and antiseptic effect.

#### THE FORMULA WITH TEA TREE OIL

- cleanses the pores in the scalp thoroughly and removes sebum from the hair follicles
- inhibits dandruff, inflammation and itching
- promotes regeneration of the scalp
- promotes circulation in the scalp and thus hair growth

### PIROCTONE OLAMINE

Piroctone olamine is an ethanolamine salt. The substance has a fungicidal and antibacterial effect. It helps reduce dandruff and cleanses the scalp to prevent new dandruff.

#### THE FORMULA WITH PIROCTONE OLAMINE

- relieves itching: the pH level is 6-7, thus optimal against itching
- has an antibacterial effect: the growth of bacteria, yeast and fungi is inhibited
- reduces dandruff: oil and dandruff are released from the scalp and cell division activity is reduced

91% INGREDIENTS OF NATURAL ORIGIN\*\*\*

## Anti-Dandruff Shampoo

### 200ml

- Relieves itching
- Reduces dandruff and prevents its reappearance
- It soothes and effectively fights dry, itching scalps

REDUCES DANDRUFF JUST IN 2 WEEKS\*

- Reduces itching and noticeably soothes the scalp: **79%\*\***
- **62%\*\*** confirm reduction of dandruff in just 2 weeks
- Reduces new dandruff\*

\* Dermatological study: 21 subjects, 6 weeks  
 \*\* Usage test: Agreement in %, 21 subjects, 2 weeks  
 \*\*\* acc. to ISO 16128 (incl. 85% purified water)

97% INGREDIENTS OF NATURAL ORIGIN\*\*

## Calming Scalp Tonic

### 250ml

- Has been proven to relieve scalp irritation
- It moisturises and effectively
- Soothes dry, itchy and scaly scalps

100% CONFIRM A REDUCTION IN ITCHING\*

- Alleviates itching and scalp irritation: **100%\***
- Vitalises and ensures a healthy scalp: **95%\***
- Soothes the scalp: **85%\***

\* Usage test: Agreement in %, 20 subjects, 2 weeks  
 \*\* acc. to ISO 16128 (incl. 53% purified water)

# MY GO-TO.

Not to forget - our feet. Dryness and athlete's foot are the most common problems of our most faithful companions. We therefore supplement the antibacterial effect of natural **TEA TREE OIL** with **+ UREA**. This active ingredient protects against dryness with its water-binding properties, as the skin becomes more moisturised. Roughness, tension and even itching are reduced and the surface of the skin is pleasantly smoothed again.

# FOOT CARE MY TEA TREE OIL

DOUBLE POWER FOR CAREFUL AND HEALTHY FEET. DOUBLE WORKS BETTER.

## TEA TREE OIL

Our 100% pure, natural, Australian tea tree oil in pharmaceutical quality. Known for its antibacterial, anti-inflammatory and antiseptic effect.

### THE FORMULA WITH TEA TREE OIL

- strengthens the skin's protective barrier
- prevents athlete's foot (fungicidal effect)
- promotes regeneration of the skin

## UREA

Urea is a natural component of the skin and is a product of metabolism. It has a very good skin tolerance. Urea is stored in the upper layers of the skin where it can bind moisture and relieve itching.

### THE FORMULA WITH UREA

- binds moisture: adds and binds moisture to protect the skin from drying out
- a strengthening effect: strengthens the natural skin barrier and relieves itching
- makes the skin soft and smooth again

## Moisturising Foot Cream 100ml

- Moisturises dry, itchy skin for up to 24 hours
- Noticeably relieves itching
- The protective barrier of the skin is strengthened and can thus prevent athlete's foot

### HELPS PREVENT ATHLETE'S FOOT\*

- Strengthens the skin's protective barrier, thus preventing athlete's foot\*
- Extra dose of moisture and care: **100%\*\***
- Perceptible relief of itching after the 1st application: **90%\*\***

\* Dermatological study: 20 subjects, 2 weeks  
 \*\* Usage test: Agreement in %, 20 subjects, 2 weeks  
 \*\*\* acc. to ISO 16128 (incl. 74% purified water)

90% INGREDIENTS OF NATURAL ORIGIN\*\*\*

TUBE BODY MADE FROM MIN. 50% RECYCLED MATERIAL

# MY ONE FOR ALL.

The natural all-rounder in its purest form. Antibacterial, anti-inflammatory, antiseptic. And wonderfully versatile due to its wide range of applications. Our **TEA TREE OIL** comes from controlled cultivation, which means that the plants are only harvested once a year. This is the reason why our oil has such a particularly high content of active ingredients. And it is of certified pharmaceutical quality. Tea tree oil is not equal to **MY TEA TREE OIL**.

## Pure Australian Tea Tree Oil 10ml

- 100% pure, natural, pharmaceutical grade Australian tea tree oil
- Cineole content below 5%
- Terpinen-4-ol content above 35%

100% INGREDIENTS OF NATURAL ORIGIN  
 FOLDING BOX MADE OF 85% RECYCLED MATERIAL

# MY TEA TREE OIL

## NATURAL POWER WITH BOOST. DOUBLE WORKS BETTER.
